**TRANSPORTED SEMEN FEE PAYABLE TO** Chinook Vet - (406) 357-2850

1] Signed contract must be returned to TSQH with a copy of mare's registration papers, front and back, and entire stud fee, prior to each shipment of semen.

**Proven and Multiple mare discounts available by contacting TSQH.**

2] A transported semen fee must be paid to Chinook Vet prior to shipment of semen via FedEx, if more than one shipment is needed. The transported semen fee includes cost of collection, processing, Equitainer and shipping. These fees are subject to increase due to fuel surcharge.

3] A deposit is not required on the Equitainer. Mare Owner agrees to return Equitainer and all shipping materials to Chinook Vet Clinic within one week. If Equitainer is not returned, a \$300 fee will be charged. **Return costs for shipping Equitainer to Chinook Vet Clinic must be paid by the Mare Owner.**

4] Mares on premises of TSQH have a breeding priority on any given breeding day. Therefore, TSQH makes no guarantee that cooled semen will be available for transportation. **Chinook Vet Clinic collects only Mondays, Wednesdays and Fridays and need to know by 5:00 pm the day prior to collection days to ship semen.**

5] The receiving veterinarian/farm manager and the shipping location named below shall be agreed to as a part of this contract:

Veterinarian / Farm Manager \_\_\_\_\_ Fed Ex # \_\_\_\_\_

Designated Breeding Facility \_\_\_\_\_ Is mare an ET yes / no

Address \_\_\_\_\_ City/State/Zip \_\_\_\_\_

Phone \_\_\_\_\_ Nearest major airport \_\_\_\_\_ air net charge \_\_\_\_\_

6] Chinook Vet Clinic will collect the stallion Monday, Wednesday and Friday during the breeding season. No guarantee of delivery within a certain time period nor the quality of the semen at arrival is given. TSQH is not liable for damages during shipment or if the mare doesn't settle.

7] The mare owner represents the mare is healthy and in sound breeding condition and registered with the designated registration organization.

8] Live foal guarantee by stallion owner is contained herein with return privilege for the year immediately following. "Live foal" means that the foal resulting from the breeding stands alone, nurses, and lives for 24 hours. If foal is born dead or dies within 24 hours this guarantee only applies if the mare owner a) notifies stallion owner within 24 hours after the time of foaling that the mare did not produce a live foal and b) within ten days after the mare owner's notice, the mare owner provides the stallion owner with a statement from a licensed veterinarian giving the particulars required to substantiate the failure of mare to produce a live foal. A replacement mare may be substituted at the stallion owner's discretion if the mare named in this contract is unsuitable for a rebreed. If an embryo is frozen, then the live foal guarantee is void.

9] Multiple Embryo Transfers: If more than one embryo is produced from the Stallion breeding under this agreement and if the multiple embryos are transferred, then the Mare Owner must notify TSQH within 48 hours of transfer of the embryo(s). If embryo transfer results in multiple pregnancies, Mare Owner must pay additional Stallion service fees (including booking fee) within sixty (60) days of confirmed pregnancy in order to receive a certificate for the additional foal(s). In the event that an embryo is sold, the live foal guarantee will be null and void. TSQH strongly recommends the purchase of embryo insurance.

10] It is understood that should Frenchmans Shake Em die or become unfit for service, this contract shall become null and void and the stud fee shall be refunded to the mare owner.

11] Each additional shipment will incur another shipping fee, with a limit of three (3) shipments per breeding season, per mare.

12] A breeder's certificate will be issued by the stallion owner for each live foal born as a result of breeding services herein provided. All fees and expenses pertaining to this breeding must be paid in full prior to issuance of certificate.

## COOLED TRANSPORTED SEMEN ADDENDUM

Some suggestions to help us provide the best possible Cooled Transported Semen (CTS) service for the 2024 breeding season:

1. 2024 Contract Stallion Service Fee Balance must be paid in full prior to ordering first semen shipment.
2. Signed and fully executed contracts, copy of mare's registration papers and signed Cooled Transported Semen Addendum must be on file at TSQH prior to first shipment. We accept checks and money orders.
3. First Shipment Fee must be paid prior to first shipment, TSQH will be responsible for costs incurred including courier from TSQH via Fed Ex). TSQH is not responsible for any courier charges at the receiving end. Each additional shipment will incur another shipping fee, with a limit of three (3) shipments per breeding season, per mare.
4. We do not charge a deposit on shipping containers however we ask that the Equitainer and all internal shipping parts must be returned at mare owners' expense immediately following insemination of the mare. Mare owner agrees to reimburse value of any shipping container or parts that are not promptly returned. Please return Equitainer by Fed Ex or UPS so that you have tracking information in the case of missing parts. Any Equitainer not returned within one week of shipping date may be charged a fee of \$25/day if the delay is a result of neglect to return.
5. Semen will be collected and shipped on breeding days—Mondays, Wednesdays and Fridays—only.
6. Mares on the premises of TSQH have breeding priority on any given breeding day; therefore, we make no guarantee cooled semen will be available for a specific day.
7. A request for shipment of cooled transported semen must be made no later than 5:00 pm the day preceding shipment. Cancellation of shipment must be made prior to 8:00am on the day of shipment or the shipping fee will be charged. (We collect the stallion, package semen and have courier service arranged by 8:30am on breeding days).
8. Please have your vet stay in contact with Chinook Vet Clinic (406-357-2850) as they follow your mare through her heat cycle and report her palpation/ultrasound checks to Chinook Vet Clinic. This will help us manage and coordinate CTS shipments. Do not wait until the day before the mare is ovulating to contact us for a shipment.
9. Please inform us of your mare's ovulation date and results of pregnancy checks as available for our records.
10. The key to breeding your mare with cooled transported semen is very careful planning, experienced reproductive mare management and conscientious communication and coordination with the Stallion Owner.
